

KLINKER BRICK WINERY

2016 Albariño

Tasting Notes

Lighter than previous vintages, this Spanish-style Albariño is clear and vivid with a dazzling light golden hue. Aromas of stone fruit, pear, and honeydew melon lead into full, elegant flavors of green apple and peach laced with subtle minerality. With a crisp, clean and balanced palate, the Albariño is prime to drink instantly. Best paired with fresh white fish, chicken and a variety of cheeses.
