

## Appellation

Lodi – Mokelumne River AVA

## Growing Philosophy

Emblematic of the Klinker Brick portfolio, Bricks and Roses showcases our pursuit of balance in farming practices. A true passion project of our winemaker and 6th generation farming ownership, these vineyards are cultivated specifically for the Bricks and Roses blend with the sincerest effort to make an elegant wine in a more natural, less manipulated fashion. As such, this Rose is made from designated grapes and is not a byproduct of any Klinker Brick red wine production.

## Vineyard Highlights

**Farrah Vineyard (1989)** Originating from our estate in the Central Mokelumne sub appellation, the Syrah vineyard was made famous with the first 90+ rated wine out of Lodi. Sustainably farmed and handpicked, it is a true gem of the Lodi region.

**Rauser Vineyard (1906)** This Carignane block is in the center of one of Lodi's more rarified neighborhoods for single-vineyard ancient vine bottlings. Situated in a bend of the Mokelumne River where the soil is the deepest and the sandiest, it is one of Lodi's oldest Carignane vineyards.

## Vintage Notes

The 2025 year began with ample rainfall during the winter months, extending into early spring. From that point on, however, there was no rain through the remainder of spring and summer. Cool weather is always welcome, and Lodi experienced plenty of cooler days, allowing the grapes to develop and ripen slowly. We experienced only a few days over 100 degrees, with most summer temperatures in the 90s and upper 80s, allowing all of these grapes to show beautiful acidity, and the overall quality of the fruit is wonderful.

## Winemaking

In line with previous vintages, the '25 Bricks and Roses is a true expression of a Provence style Rose, which is to say a pale pink wine made with a whole cluster press and no skin contact. As a result, the wine is somewhat lighter and more delicate on the palate with minimal astringency, exhibiting floral and citrus notes. The blend consists of 23% Grenache, 24% Carignane, 29% Syrah & 24% Mourvèdre.

## Taste

Floral notes on the nose, and a hint of strawberry lead into crisp and refreshing texture on the palate. Pair with mixed greens with strawberries and goat cheese, or roast chicken.

## Vital Statistics

**Production** 3000 cases

**Alcohol** 12.8%

**PH** 2.84

**TA** 6.4 g/L
